

Reinke is #1 in GPS Equipped Pivot Sales!

You have important goals. It's our job to bring you the cutting edge technology necessary to help you reach them. That's why Reinke was the very first to launch GPS guidance technology for irrigation systems - the Reinke Navigator Series of GPS Controls. You asked, we listened and promptly delivered. Since then, we've been proud to be the primary provider of Global Positioning Satellite technology to the irrigation industry, placing it in thousands of Reinke irrigation systems worldwide. Experience always leads the way for others to follow. Choose to follow the leader: Reinke.

We lead the way in GPS irrigation technology.
